**Tree Plantation Activity**

Tree Plantation activity is carried out by the students of the Department:

**Objective:** Trees play an important role in reducing the air pollution and to maintain the good quality air level in an environment. Trees are also useful to reduce the erosion of soil which may lead to high flood situation. So, every individual shall try to plant as many trees as possible. Because day by day pollution level in an environment is becoming worse. Hence to overcome this situation tree plantation is the only solution.

**Swachh Bharath Activity:**

Swachh Bharath activity is carried out by the students of the Department:

Swachh Bharat Abhiyan, launched on 2nd October 2019, in the honor of Mahatma Gandhi's vision of a Clean India. The cleanliness campaign of Swachh Bharat Abhiyan was run on a national level and encompassed all the towns, rural and urban. It served as a great initiative in making people aware of the importance of cleanliness.

**Objective:** To accelerate the efforts to achieve universal sanitation coverage and to put the focus on sanitation and to achieve the vision of a 'Clean India'.
