DOB: 23 May 1997

Objective

A highly motivated and detail-oriented M.Tech graduate in Computer Science, seeking a dynamic role in teaching or administrative positions at an engineering college. Equipped with strong technical skills, a passion for knowledge-sharing, and the ability to effectively manage tasks and contribute to the holistic development of students and the institution.

Education

M.Tech in Computer Science Engineering
BITM, Bellary | 2021 | 85.2%
Specialization in advanced computer networks, algorithms, and system security

B.E in Computer Science Engineering
BITM, Bellary | 2019 | 64.3%
Focused on software development, database management, and programming

Pre-University (PUC)
Smiore Vyasapura PU College | 2015 | 65.5%

SSLC
Smiore Vyasapura High School | 2013 | 78.5%

Technical Skills

- **Computer Proficiency:** MS Office Suite (Word, Excel, PowerPoint)
- **Programming Languages:** C, C++, Java
- **Tools and Technologies:** Basic knowledge of SQL, HTML, and CSS
- **Problem-solving:** Strong logical and analytical abilities for programming and troubleshooting

---

Professional Strengths

- **Teaching Abilities:** Skilled in explaining complex concepts in a simple and understandable manner, ensuring effective student engagement.
- **Communication Skills:** Excellent verbal and written communication in English, Kannada, and good verbal skill in Hindi, and Telugu.
- **Team Collaboration:** Proven ability to work well in both individual and team settings, ensuring effective collaboration and coordination among faculty and students.
- **Adaptability:** Quick learner with the ability to adapt to new technologies, teaching methodologies, and administrative roles with ease.
- **Time Management:** Well-organized, capable of prioritizing tasks and meeting deadlines in a fast-paced environment.

Projects

- **Artificial Intelligence-based Material Sorting for Industrial Production**
  Developed a system utilizing AI algorithms to automate the sorting of materials in industrial production, improving efficiency and accuracy in manufacturing processes.

Internship & Experience

- **Internship:**
  Application Development Intern
  Q Spiders
  Contributed to the development of new applications, enhancing functionality and user experience, and participated in the overall application development lifecycle.

Languages Known

- **Fluent:** English, Kannada
- **Conversational:** Hindi, Telugu

Hobbies & Interests

- **Creative Skills:** Passionate about drawing and sketching, which helps in creative thinking and problem-solving.
- **Cultural Engagement:** Active participation in college cultural events, including dance and music.
- **Continuous Learning:** Keen on learning new technologies and staying updated with the latest trends in computer science.
-

Declaration

I hereby declare that the information provided above is true and correct to the best of my knowledge.
