

# RESUME

## MADHU N HIEMATH

Department of Computer Science & Engineering

Bapuji Polytechnic, Shabanur

Mobile: 9964328058

Email: [madhu.mh07@gmail.com](mailto:madhu.mh07@gmail.com)

## Objective:

- Want to be a part of creative & challenging event, where I can leverage my knowledge.
- Quick learner & leadership abilities to solve problems, which could help my own & organizational growth

## Experience:

- Currently working server as HOD of Computer Science Department , Bapuji Polytechnic
- 2010-2019 : Lecturer in Computer Science Department , Bapuji Polytechnic
- 2008-2010 : Lecturer in Computer Science & Engineering Department, Bapuji Institute of Technology
- 2001-2006 : HOD of Computer Science Department
- 1997-2001 : Lecturer in Computer Science Department

## Education Qualification:

- MTech in Computer Science & Engineering  
Bapuji Institute of Technology, Davangere  
Visvesvaraya Technological University,  
Belgaum
- Bachelor of Engineering in Computer Science & Engineering  
UBDT, Davangere  
Kuvempu University ,  
Shimogga

## Projects:

- MTech : Performance Analysis of Web server during peak load through Load runner.
- BE : Study & Analysis of viruses & vaccines.

## **Honors & Awards:**

- Real super woman award from FSIA
- Best Teacher recognition Award from Institute of Scholars

## **Membership in professional bodies:**

- IEEE Member
- INSC Member
- MIE Member

## **Membership in committees:**

- Cultural Secretary
- Entertainment committee Convener
- Computer Science forum Coordinator
- Computer Science forum Treasurer
- Member of Timetable committee

## **Subjects Handled:**

Operating System, Programming with C, Software Engineering, Software Testing  
Cloud Computing, Computer Organization, Network Security , Information Storage  
Management, Computer Network, Linux- Shell Programming, Management &  
Entrepreneurship for IT.

## **Hobbies:**

Singing, Painting, Playing veena, Composing poems, Travelling

## **Declaration:**

I hereby declare that the information given above in my opportunity is true & correct to the best of my knowledge.
