About the Institute

Bapuji Institute of Engineering and Technology was started in the year 1979 with an initiative and foresight of Bapuji Educational Association. The institute has been recognized by AICTE and accredited by NAAC with 'A' Grade, and also accredited by NBA and Institution of Engineers. The Institute has grown by leaps and bounds, and at present offers 10 UG and 4 PG programme in Engineering Technology and Management. The Institute has 13 recognized research centers and it undertakes consultancy works in Civil, Environmental, Mechanical, Electrical & Electronics and other fields of Engineering.

Vision of the Institute

To be a center of excellence recognized nationally and internationally, in distinctive areas of engineering education and research, based on a culture of innovation and invention.

Mission of the Institute

BIET contributes to the growth and development of its students by imparting a broad based engineering education and empowering them to be successful in their chosen field by inculcating in them positive approach, leadership qualities and ethical values.

About the Department

The department of Electronics & Communication Engineering was established in the year 1979 with a vision to promote and maintain academic & professional excellence in technical education and research field. The department was accredited three times by National Board of Accreditation (NBA), AICTE, New Delhi. The department has well qualified faculty members and dedicated supporting staff.

The department which is recognized as Research Centre by VTU Belagavi., has excellent infrastructure, well equipped laboratories and departmental library. The Laboratories are equipped with DSP trainers and Evaluation Modules Microcontrollers Trainers with Flash Modules, OFC, MIC, and Digital Communication modules with LabVIEW, MATLAB Code Composer Studio.

Vision of the Department

To be in the forefront in providing quality technical education and research in Electronics & Communication Engineering to produce skilled professionals to cater to the challenges of the society.

Mission of the Department

M1. To facilitate the students with profound technical knowledge through effective teaching learning process for a successful career.

M2. To impart quality education to strengthen students to meet the industry standards and face confidently the challenges in the program.

M3. To develop the essence of innovation and research among students and faculty by providing infrastructure and a conducive environment.

M4. To inculcate the student community with ethical values, needs. Communication skills, leadership qualities, entrepreneurial skills and lifelong learning to meet the societal.

About the FDP

The recent trends in Assistive Technology scenario have made Health care industry becoming an emerging field of technical education. The proposed FDP is aimed to bring together the teachers, Medical Practioners, Experts from health care Industries to exchange their experience on recent advances in the field of Assistive Technology.

Objectives of the FDP

➤ Provide an exposure on electronics and its advancements in Assistive Technology.
➤ Identify the challenges and opportunities about rehabilitation and Assistive Devices for PwDs.
➤ Explore the research avenues in the area of Assistive Technology.
➤ Providing an opportunity for teachers and researchers to familiarize with modern engineering practices in Assistive Technology, including the latest technological advances in the area.

Expected Outcome of Programme

➤ Upgradation of Knowledge in the field of Assistive Technology
➤ Exposure of Researchers in the field of Health care and rehabilitation

Who Can Attend?

Faculty members from AICTE recognized Institutions, Medical Institutions, Research Scholars, delegates from healthcare Industry.

Registration:

No registration fee.
Maximum No. of participants allowed is 100 on first come first serve basis. Preference will be given to ISTE Life members.
E-Certificate will be given to those who satisfy the requirement of 80% attendance and 60% marks in the tests.

Registration link:

https://forms.gle/N4igaKviB8CiBdCM7

On line platform: Google Meet
Meeting link will be shared through E-mail/WhatsApp

Important Dates:

Last Date for Registration: 4th January Jan 2022
Intimation of Selection: 5th January 2022
Programme Dates: 7th to 13th January 2022

One Week
AICTE-ISTE Sponsored Induction /Refresher Programme (online)
On
Electronic Assistive Devices
(7th to 13th January 2022)

About ISTE

The Indian Society for Technical Education (ISTE) is the leading national professional non-profit making society for the technical education system in our country with the motto of overall development of our technical education system. The strength of ISTE is its strong base in technical education institutions in the country.

ISTE has an Executive Council at national level. It has active membership of more than 1, 28,500 technical teachers, 5, 35,000 student members, and more than 2,740 institutional members. It also has 1,414 faculty chapters and 1,505 students' chapters at national level and 19 Sections at state level. The major objective of the ISTE is to provide quality training programmes to teachers and administrators of technical institutions to update their knowledge and skills in their fields of activity and to assist and contribute in the production and development of top quality professional engineers and technicians needed by the industry and other organizations.

ISTE is actively involved in many activities conducted by All India Council for Technical Education, New Delhi (AICTE) and National Board of Accreditation, New Delhi (NBA), ISTE has collaboration and MoUs with government organizations and various Universities for the promotion of technical education in the country.

Chief Patrons

Dr. Shamanur Shivashankarappa
Hon. Secretary, BEA & MLA, Davangere South
Sri S. S. Mallikarjun, Joint Secretary, BEA
Sri. A. S. Niranjan, Treasurer, BEA

Advisory Committee

Prof. Y. Vrushabhendrappa, Director
Dr. H. B. Aravind, Principal
Dr. S. Kankuppi, Dean Academic
Dr. Gnanavel, Director I/C, CRC, Davangere

Organizing Chair

Dr. G. S. Sunitha, Programme Coordinator, E&CE

Resource Persons:

Dr. Ajish Abraham, AIISH, Mysuru
Dr. Gnanavel, Director I/C, CRC, Davangere
Dr. Sriram Hegade, Professor, IIT Delhi
Dr. Mallikarjun S. Holi, Principal, UBDTCE Davangere
Dr. Ravikumar K. M., Director, TOCE, Bengaluru
Sri. Shankar Subbiah S, Agate Infotek, Chennai
Mr. Praveen Gowda, CEO, VMEDO, Bengaluru
Dr. Suresh Hanagavadi, Prof. JJMMC, Davangere

Coordinator:

Dr. Jayadevappa B. M., Prof., E&CE

Co-Coordinators:

Dr. Leela G. H., Associate Professor
Mr. Kiran Kumar G. H., Assistant Professor
Mrs. Savithri G. R., Assistant Professor
