

KOMALA K A M. Tech. (PSE)

Assistant Professor,
Dept. of Electrical & Electronics,
Bapuji Institute of Engineering & Technology, Davanagere
M: +91-9738798309
E: komalaka16@gmail.com

AREA OF INTEREST:

- Power system, Electrical machine

TEACHING EXPERIENCE:

1. presently Working as an **Assistant Professor in BIET**, Davanagere, from October 2021 to till date
2. Worked as a **Lecturer in SJVP Polytechnic**, Harihar (nov 2020 – Sep2021)

EDUCATIONAL ENHANCEMENT:

- M-Tech in **Power Systems Engineering** (Electrical) from SDM college of engineering and technology, Dharwad 2018 with First Class with Distinction.
- BE in **E & E** from STJIT, Ranebennur, affiliated to VTU, Belagavi in the year 2016 with First class.

SUBJECTS TAUGHT:

- DC machines and alternators
- Electrical estimation costing
- Communication & Computer Networks (CCN).

CONFERENCES & WORKSHOPS:

- Presented a paper in National Conference entitled "Integration of Distributed Generator with Main Grid and Fault Analysis" in SDMCET Dharwad.
- Participated in the National workshop on "prominence of photovoltaic (PV) systems in green energy development".
- Participated in the workshop on "Introduction to MATLAB Programming and simulation applications to power system".
- Participated in the workshop on internship program organized by BOSCH, on Hydraulic and Pneumatic.

PROJECT

- Integration of Distributed Generator with Main Grid and Fault Analysis

Residential address: KOMALA K A
#56 kote street road
Kondajji village
Harihara(T)
