

# Sharan Mudda

To Curve out a special place in the field of Mechanical Engineering that will help me to attain greater heights as a professional lecturer.

## Key skills and knowledge

### Education

#### Manipal University - Jaipur

- M.Tech in Computer aided Analysis and Machine Design (2014 – 2016) – 75.2%

#### NMIT - Bangalore

- B.E. in Mechanical Engineering (2009 – 2013) – 70.2%

#### K.V. Hebbal, Bangalore – CBSE

- Senior secondary (12<sup>th</sup>) in PCMB (2008 – 2009) – 67.5%
- Secondary (10<sup>th</sup>) (2005 – 2006) – 67.5%

#### Future Ambitions:

Pursuing of PhD as further studies

### Qualification

- M.Tech in Computer aided Analysis and Machine Design

### Relevant skills

- Proficient in following core subjects:  
Structural mechanics (mechanics of materials), Theory of machines and Mechanical vibrations.

### Experience

- Assistant Professor, September 2017 – Now, *Bapuji Institute of Engineering and Technology*, Davangere, Karnataka

Pay: 20,000 Rs/month

## Personal Info

Birth date: 16/11/1990

Nationality: Indian

#### Residence:

#3125, 9<sup>th</sup> main 3<sup>rd</sup> cross, MCC B- block, Davangere - 577004

Profession: Lecturer

Gross Emoluments: 20,000/- Rs/month

Languages spoken: English, Kannada (Mother tongue), Hindi

Marital Status: Unmarried

Signature:

- **Intern**, June 2015 to April 2016

*MTRDC*, Bengaluru, Karnataka

Research paper publication -

*IJST* (International Journal of  
Science and  
Technology)

**Pay:** 8000 Rs per month (Stipend)
