

**About Bapuji Institute of Engineering and Technology:** Bapuji Institute of Engineering and Technology was started in the year 1979 with the initiative and foresight of Bapuji Educational Association. The institute has been recognized by AICTE and accredited by NAAC with 'A' Grade, and also accredited by NBA and Institution of Engineers, Kolkata. The Institute has grown by leaps and bounds, and at present offers 09 UG and 04 PG programmes in Engineering, Technology and Management. The college has 13 recognized research centers. In addition to academic activities, the college undertakes consultancy works in Civil, Environmental, Mechanical, Electrical & Electronics and other fields of Engineering.

#### **Vision of the Institute**

To be a center of excellence recognized nationally and internationally, in distinctive areas of engineering education and research, based on a culture of innovation and invention.

#### **Mission of the Institute**

BIET contributes to the growth and development of its students by imparting a broad based engineering education and empowering them to be successful in their chosen field by inculcating in them positive approach, leadership qualities and ethical values.

#### **About VTU**

VTU is one of the largest premier technological universities in India with 23 years of tradition of excellence in engineering & technical education, research and innovations. It came into existence in the year 1998 to cater the needs of Indian

industries for training technical manpower with practical experience and sound theoretical knowledge. University has successfully achieved the tremendous task of bringing various colleges affiliated earlier to different universities, different syllabi, different procedures and different traditions under one umbrella. The University has 201 affiliated colleges, 1 constituent college and 24 autonomous colleges with undergraduate courses in 35 disciplines, PG program in 94 disciplines and Ph.D & M.Sc.(Engg) with research programs in 592 departments with over 4 lakhs engineering students studying in various affiliated colleges. The university has 13 quality improvement program (QIP) centers in various affiliated colleges and 16 extension centers for offering PG programs.

The University is making steady progress in developing and providing best technical environment for education, implementation of NEP 2020 and will continue to serve the nation in the coming years. Equipped with the extremely rich resources of outstanding students and faculty, partnerships with business, industry. Government and alumni, VTU is designing a future of global preeminence leadership and service. Recently, VTU has implemented number of innovative initiatives to promote planned and sustainable development of technical education in the country. To meet the 21<sup>st</sup> century challenges, University has continued its efforts on all fronts particularly research and development activities to become globally competitive.

University is comprised of multi-disciplinary and multi-level institutions offering wide ranging programmes in engineering, technology and Management. The University is making steady progress in developing and providing best

technical environment for education and will continue to serve the nation in coming years. VTU has ranked 57<sup>th</sup> and 82<sup>nd</sup> in the Engineering and University Categories in the recently released MHRD NIRF ranking 2021.

#### **About workshop**

Education is the penultimate instrument that can bring progressive changes in the society. To improvise the system, attempts have been made to make situational changes to ensure fitness of the system through effective contribution. The national education policy 2020 is going to bring major paradigm shift with a prima facie hope of revolutionizing the education. It is imperative to create comprehensive understanding and awareness about the NEP-20 amongst all segments of the society. It is mentioned in the policy that Education is fundamental for achieving full human potential, developing an equitable and just society, and promoting national development. Universal high-quality education is the best way forward for developing and maximizing our country's rich talents and resources for the good of the individual, the society, the country, and the world. India has highest population of young people in the world over the next decade, and the comprehensive attempt to provide high-quality educational opportunities to all citizens will ensure the progressive and prosperous future of our country.

**Venue: S S Mallikarjun Cultural Center, BIET campus, Davangere.**

**Workshop Dates:** 10<sup>th</sup> & 11<sup>th</sup> Dec. 2021

**Objectives of the Workshop:**

- Understand, analyze and interpret NEP 2020
- Focus towards skill development provisions of NEP 2020.
- Bridge the gap between industry and academia.
- To discuss the role of learners, teachers and society in policy implementation

- To develop understanding among participants about the access, equity, quality and inclusion as the underlying principles of the policy

**Outcomes:**

- Would have acquainted themselves with NEP 2020 so as to initiate it in their respective institutions.
- Would encourage interaction of industry and academia.
- Skill development based on local industries will be given adequate focus in the curriculum.

**Resource Persons:**

- Dr. Karisiddappa-Hon'ble Vice Chancellor, VTU
- Dr. A S Deshpande, Registrar, VTU
- Dr. B E Rangaswamy, Registrar (Evaluation), VTU
- Dr. J Shivakumar, Principal, Jain College of Engg. Belagavi
- Dr R V Ranganath, Professor, B.M.S.C.E
- Dr. S Manjappa, Director, R&D, Sahyadri College of Engg. and Management, Mangaluru

**Participants:**

- Faculty of technical institutions.

**Coordinators:**

- Dr. G P Desai, Dean, Public Relations 9845388943
- Dr. G S Sunitha, Professor & Head Dept. of E&CE, 9480297822
- Dr. Vinutha H P, Dean, Incubation 9964262478
